

# Proclamation

## KIDNEY HEALTH MONTH

*Whereas:* one in ten Canadians have kidney disease, a chronic health concern for which there is no cure; and

*Whereas:* the Kidney Foundation of Canada is dedicated to supporting people living with kidney disease while calling attention to the importance of research and patient self-empowerment; and

*Whereas:* the Kidney Foundation of Canada provides education and encourages citizens to seek information about how they can personally take action to protect the health of their kidneys; and

*Whereas:* Kidney Health Month is marked by educational events and initiatives, and kidney disease is recognized worldwide on World Kidney Day; and

*Whereas:* we applaud the many volunteers of the Kidney Foundation who promote education, advocacy, and awareness, representing a worthy commitment to all those who are impacted.

Now therefore, as Mayor of the City of Prince George,  
I proclaim that **March 2021** be observed as:  
“**Kidney Health Month**” and  
**March 11, 2021** as “**World Kidney Day**”  
in the City of Prince George.

Mayor Lyn Hall  
City of Prince George
