## NURSING WEEK

- Whereas:* the City of Prince George recognizes the vital contributions of nurses to healthcare in our community; and
- Whereas:* the nursing profession meets the emerging health care needs of our city's population – individuals, families and groups – in a wide range of settings and for all aspects of health, including health promotion, illness prevention, treatment, maintenance, restoration, rehabilitation and palliation; and
- Whereas:* in cooperation across our province, licensed practical nurses, registered psychiatric nurses, registered nurses and nurse practitioners will be participating in special events to promote good health and the prevention of illness and to increase public awareness of the nursing profession; and
- Whereas:* Nursing Week is an opportunity to recognize and acknowledge the expertise and dedication of nurses as well as to encourage others to enter this worthy profession.

Now therefore, as Mayor of the City of Prince George,

I proclaim that **May 10 - 16, 2021** be observed as:

**"NURSING WEEK"**

in the City of Prince George.
