

Proclamation

SPIRIT DAY September 17, 2020

- Whereas:** Spirit of the North Healthcare Foundation is a non-profit organization that provides individuals with meaningful opportunities to contribute to improving healthcare in northern British Columbia; and
- Whereas:** Spirit Day is an 11 hour Radiothon involving sponsors and volunteers from the Prince George area; and
- Whereas:** the goal for Spirit Day is to raise \$60,000 for better health outcomes in the North through healthcare equipment and advancement; and
- Whereas:** healthcare is something that touches us all, but each of us in very different ways; and
- Whereas:** citizens are encouraged to pick an area of healthcare they are passionate about and unite in the spirit of giving to support health advancements for the residents of the City of Prince George and outlying areas.

Now therefore, as Mayor of the City of Prince George,
I proclaim that **September 17, 2020** be observed as:
"Spirit Day"
in the City of Prince George.

Mayor Lyn Hall
City of Prince George
