

# Proclamation

## ADOPTION AWARENESS MONTH November 2019

- Whereas:* Adoptive families provide children with the love and support of a permanent family; and
- Whereas:* The City of Prince George wishes to recognize the care, compassion and unselfish commitment of British Columbia adoptive families; and
- Whereas:* There continues to be a need for adoptive families to nurture the growth and development of children, especially those with special needs because of physical, mental or emotional disabilities; and
- Whereas:* There is a need to remind citizens during this time that there are many children and sibling groups who are waiting for adoption.

Now therefore, as Mayor of the City of Prince George, I proclaim  
**November, 2019** as: **"ADOPTION AWARENESS MONTH"**  
in the City of Prince George.

Mayor Lyn Hall
