**WATER CONSERVATION
PROGRAM**

VOLUNTEER RESIDENTIAL WATER METER CHECKLIST

1100 Patricia Blvd. Prince George, B.C. V2L 3H2
Telephone (250) 561-7600 Fax (250) 561-7519

Starting on January 4, 2016, homeowners in the City of Prince George will have the opportunity to come to City Hall- 2nd Floor and apply for a volunteer residential water meter. There will be 100 meters available in 2016.

The point of contact for all inquiries with respect to the Volunteer Residential Water Meter program is Development Services (2nd Floor City Hall) at 250-561-7611.

There is some paperwork that will need to be completed and handed into Development Services on the 2nd floor at City Hall. The water meter must be installed and inspected by the City of Prince George Plumbing Inspector in 2016.

The City of Prince George will incur the cost of the water meter and the plumbing permit. The home owner will incur the full cost of all of the installation of the water meter, all pipe fittings and adapters, and any construction required to repair damage created through the installation of the water meter.

Checklist:

- Plumbing permit application filled out and signed by the chosen plumber
- Signed volunteer water meter program application by home owner
- We would like the placement of the water meter written somewhere on the application
